

MEMORANDUM OF UNDERSTANDING

BETWEEN

**FUNDACION COSTA RICA PARA EL
DESARROLLO SOSTENIBLE « ENTEBBE »**

AND

**THE PAYSON CENTER FOR
INTERNATIONAL DEVELOPMENT AND
TECHNOLOGY TRANSFER OF TULANE UNIVERSITY**

THIS MEMORANDUM OF UNDERSTANDING (MOU) IS MADE AND ENTERED INTO on to the date of its signing by and between the PAYSON CENTER FOR INTERNATIONAL DEVELOPMENT AND TECHNOLOGY TRANSFER OF TULANE UNIVERSITY (hereinafter Payson Center) and the FUNDACION COSTA RICA PARA EL DESARROLLO SOSTENIBLE « ENTEBBE » (hereinafter ENTEBBE) to strengthen and further develop interinstitutional collaboration in the area of information technologies and other initiatives related to human sustainable development.

PURPOSE

This MOU delineates the areas in which **Payson Center** and Fundación Costa Rica para el Desarrollo Sostenible **Entebbe** (hereinafter The Center and The Foundation) will collaborate and the terms and conditions by which they will operate.

SCOPE

The **Payson Center** and the **Entebbe** Foundation are uniquely qualified to collaborate in the areas of information technologies for human sustainable development.

The Center and the Foundation have demonstrated internationally recognized expertise to develop effective interinstitutional collaboration in the aforementioned areas. Cooperation between the Center and the Foundation can further the extent and impact information technologies for human sustainable development. To this end, the Center and the Foundation enter into this MOU.

TERMS AND CONDITIONS

Through formal agreements, the Center and the Foundation will collaborate in supporting on-going projects and/or initiatives in the areas of training, monitoring, research, education, and communications services in support of information technologies for human sustainable development considered convenient, affordable and desired by the Center and the Foundation. The Center and the Foundation will also be able to use each other logo's in joint or separate presentations, develop new initiatives and will jointly, or separately, search for funding to support new projects and/or initiatives. When executed by official representatives of the Center and the Foundation, these agreements will be attached as addendums to this MOU, and will be subject to terms and conditions contained herein.

Areas for inter-institutional cooperation include, but are not limited to:

- Collaboration in the development of information and communication technologies (such as **Entebbe's** Lincos-Infocomm) with a special focus on the problem area such as emergency situations and natural disasters.
- Collaboration in the local production of digital libraries (such as **Payson Center's** Medicine and Health, Human Sustainable Development, the Environment, Food and Nutrition, Emergencies and Disasters), with special emphasis on extending their use to illiterate communities.
- Collaboration in the design and implementation of a master's and potentially doctoral program in applied development with emphasis in the following areas: sustainable human development, instructional design, computer-assisted education, environmental quality and impact assessment.

WORK PLAN/PROJECT ADMINISTRATION

It is further understood that this MOU is made subject to the Terms and Conditions mentioned above and will be in compliance with all statutory requirements for each party and their policies.

TERM

This MOU, which is effective upon date of signing by representatives of **Payson Center** and **ENTEBBE**. This agreement can be terminated by either party with a written notice. It is understood that termination of this MOU will not jeopardize projects which are on-going at the time of termination.

Administration of any on-going projects will follow the terms and conditions set forth within each project agreement.
